CONSULTANCY & ENGINEERING AWARDS

Consultancy & Engineering Awards

Transport Infrastructure Project of the Year

ACE's Consultancy and Engineering Awards is the country's foremost celebration of industry excellence, with construction firms small and large from the built environment celebrating their people and projects.

This award recognises projects showing technical excellence, innovation and improved performance or user and/or environmental outcomes.

We've created this practice form to help you gather your thoughts and collaborate with colleagues before submitting the online nomination. Use it to capture key examples, feedback, and supporting information.

Please email all questions regarding submissions to: events@acenet.co.uk
