

CONSULTANCY & ENGINEERING AWARDS

2026

Consultancy & Engineering Awards

Best Collaborative Project – Joint Venture

ACE's Consultancy and Engineering Awards is the country's foremost celebration of industry excellence, with construction firms small and large from the built environment celebrating their people and projects.

This award celebrates excellence in integrated delivery through a joint venture model. Please

email all questions regarding submissions to: events@acenet.co.uk

Submission Form

Q1. Joint venture overview

Describe the joint venture, its partners, objectives and delivery context. *

Guidance: Clearly explain why a JV model was used.

Q2. Governance and culture

How did JV governance, incentives and culture enable integrated delivery? *

Guidance: Focus on how behaviours and decision-making were aligned. Examples of evidence: governance structures, shared KPIs, integrated teams.

Q3. Outcomes and client value

What outcomes were achieved as a direct result of the joint venture model? *

Guidance: Judges are looking for improvements compared to traditional delivery. Examples of evidence: cost, programme, safety, risk or quality improvements.

Q4. Innovation enabled by the JV

What innovations or solutions were enabled that would not have been possible otherwise? *

Q5. Legacy and future application

What lessons or legacy does this joint venture create? *

Examples of evidence: transferable approaches, future use, client adoption.

Please provide a synopsis of your entry/nomination (maximum 150 words). This will be used for promotional purposes should your entry be shortlisted. *
