## Consultancy & Engineering Awards

Digital and Smart Infrastructure Project Award

ACE's Consultancy and Engineering Awards is the country's foremost celebration of industry excellence, with construction firms small and large from the built environment celebrating their people and projects.

This award recognises effective use of digital engineering, data or smart technologies improving asset performance, user and/or environmental outcomes.

We've created this practice form to help you gather your thoughts and collaborate with colleagues before submitting the online nomination. Use it to capture key examples, feedback, and supporting information.

Please email all questions regarding submissions to: [events@acenet.co.uk](mailto:events@acenet.co.uk)
