

## CONSULTANCY OF THE YEAR

Fewer than 50 employees

### Assessment Criteria

Each question will be scored out of a maximum of 10 points. Entrants are encouraged to provide comprehensive and detailed responses.

Entries should demonstrate:

- Commercial growth and stability, including revenue, profit, staff or capability growth
- A clear business strategy, and evidence of how it has been successfully implemented
- Innovation in service delivery, technical solutions or commercial models
- Investment in people, including skills, wellbeing, inclusion or leadership development
- Environmental and social outcomes, integrated into business strategy and project delivery

Judges will look for evidence of a business that is scaling successfully and sustainably.
