CONSULTANCY & ENGINEERING AWARDS | 2026

Consultancy & Engineering Awards

Water Project of the Year

ACE's Consultancy and Engineering Awards is the country's foremost celebration of industry excellence, with construction firms small and large from the built environment celebrating their people and projects.

This award recognises projects securing clean water, building water resilience, protecting or enhancing the natural environment with measurable outcomes.

We've created this practice form to help you gather your thoughts and collaborate with colleagues before submitting the online nomination. Use it to capture key examples, feedback, and supporting information.

Please email all questions regarding submissions to: events@acenet.co.uk
