

## Future Leader of the Year

Engineering Consultancy

### Assessment Criteria

Each question will be scored out of a maximum of 10 points. Entrants are encouraged to provide comprehensive and detailed responses.

Entries should demonstrate:

- **Emerging leadership**  
Evidence of leadership behaviours, responsibility or influence beyond formal role or seniority.
- **Impact to date**  
Clear examples of how the nominee has already delivered positive outcomes for their organisation, clients or teams.
- **Innovation and mindset**  
Demonstrated ability to think differently, improve ways of working, or respond creatively to challenges.
- **Future potential**  
A clear trajectory showing how the nominee is likely to shape the future of engineering consultancy.
